

The 'Shropshire Rok'

(a fun fighter kite).

Designed by Tony Slater
Shropshire Kite Group. January 1997

SPINE - 5 x 2 BAMBOO (SHINY SIDE DOWN)

TOP SPAR - ø2 FIBRE GLASS

BOTTOM SPAR - ø1.5 FIBRE GLASS

BRIDLE - TOP LEG 420 BOTTOM LEG 445

Drawn by Jim White
on AutoCAD LT v.2

This kite is good for beginners, as it will roll around its edges and take off again after a bad landing. Diamond Tape is easily available from major stationers, WH Smith etc.

Please note the different spar sizes.
